

Students that are in the Summit Program at eDCSD will log in to eDCSD's Naviance site.

Students in grades 7-8 as well as students in the Base Program at eDCSD will log in to their home school's Naviance site. Please find your home school on the list and bookmark that page.

All schools have a different login format. Some school's use just username and student ID number, some use the full email address and Dcsd#####. Try the possible combinations until you find the correct one. If you need assistance, please contact Ms. Payne.
