

Empowering Our Children

I N C H A L L E N G I N G T I M E S

Featuring Internationally Recognized Suicide Prevention and School Crisis Expert, Dr. Scott Poland

Parenting children in this day and age of ever-increasing technology can be a challenge. Children are exposed to bullying, violence, crises and other threats in more places than ever before...from the playground to the cyberworld.

Join us for a special presentation by internationally recognized school crisis expert Dr. Scott Poland. Dr. Poland will provide tips on how to keep your children safe and how to empower them to recognize and avoid dangerous situations.

For parents, teens, educators, and community members who want to see our youth succeed.

Child care is available for children ages 5-13, provided by DCSD's B.A.S.E. program.

Free admission. Click here to RSVP — <https://tinyurl.com/ScottPoland>

Presented by **Douglas County School District**
Douglas County Sheriff's Office, and
Douglas County Youth Initiative

Wednesday, September 19, 2018

6:00 - 8:30 p.m.

Family Resource Pavilion

9700 E. Easter Lane, Centennial

Scott Poland, Ph.D., is a nationally recognized expert on school crisis, youth violence, suicide intervention, self-injury, school safety, threat assessment, parenting and the delivery of psychological services in schools. He has lectured and written extensively on these subjects, appeared on all major television network news programs, and has presented over 1,000 workshops in every state and numerous foreign countries. He served on the President's Roundtable on Youth Violence and has testified about the needs of children before the U. S. Congress on four occasions.

He has also assisted school communities across the country after tragic circumstances.
